

Emilio Nunez-Garcia

AI & Marketing Analytics Manager

“Sixty percent of this role is making spend explain itself; forty is running the AI that does the explaining. I have shipped both: an attribution argument over a **\$10M+** book, and a production multi-model stack with live data connections underneath it.

Since 2015, Emilio Nunez-Garcia has worked the question every media budget eventually faces: what did this spend actually move? He ran paid search for Primary Residential Mortgage, then spent 2017 to 2026 at Audacy in Denver, rising from trafficking campaigns to owning a \$10M+ digital book and

the attribution framework its QBRs ran on. Since 2024 he has built Elio Intelligence Suite, a production multi-model AI platform, and he holds a B.A. in Mathematical Economics from Colorado College.

The career, newest first

2024–now
Denver, CO

• Elio Intelligence Suite *Founder & AI engineer*

elioai.app

- Built and operate a production multi-model platform on GCP Cloud Run that routes Claude, GPT, Gemini, Grok, and Llama by task fit, with Vertex AI Search retrieval and live data connections underneath every answer.
- Shipped a Gemini-grounded SEM forecaster that ran **21** scenarios against **\$2.4M** of live pipeline for a seller pitch, so the seller walked in with spend-to-stage math instead of a dashboard.
- Run scheduled agent workflows across **8–10** API keys and **3–4** GCP service accounts, and hold on-call for connection drift: the unglamorous half that keeps a live system honest.
- Run JobBored's agent fleet in Claude Code against a user-owned Google Sheet, operating the agents rather than prompting them.

2023–now
Side ventures

○ Founder, twice on the side

Hormiga, 2025–present. Built an **18**-idea growth playbook for small-business clients.

Bucketz, 2023–2024. Launched a consumer marketplace and its paid acquisition test plan on Meta Ads and Shopify.

Audacy
2017–2026
Denver, CO

• Audacy *Digital Sales Manager, 2021–2026*

\$10M+ digital book

- Owned a **\$10M+** digital book and reallocated Google, Meta, OTT/CTV, and programmatic against marginal ROAS. Denver held a **top-3** national rank from a **#19**-sized market.
- Wrote the bidding and attribution framework used in QBRs (last-click vs. assisted, incrementality, channel-to-stage movement) and trained **10** AE desks to defend it.
- Drove **130%** YoY paid-search conversion growth and a **13%** new-user lift on a flagship financial-services account; the deliverable was the readout of what happened, why, and what to cut.

Senior KAM, KAM, Digital Campaign Manager 2017–2021

- Trafficked Google, Meta, and OTT campaigns, built the market's reporting, and became the digital SME account executives brought onto client calls.

2015–2016
Denver, CO

• Primary Residential Mortgage *SEM & web programs*

- Ran paid search and WordPress site programs for loan-officer demand generation.
